  - **Student organization-** shall be interpreted to mean a recognized organization under the auspices of the Office of Student & Civic Engagement and/or the Student Organization Manual
  - **Trip Coordinator-** shall be interpreted to mean the person who is completing all travel paperwork. This person may or may not be traveling as part of the identified trip.
- 

### Procedure

---

#### 1. GENERAL

1.1. The requirements in this procedure apply when organized student travel by one or more students presently enrolled at the University travel to an activity or event located more than 25 miles from the university that is sponsored and/or funded by the university or by an organization properly registered at A&M-Central Texas. 25 miles is the standard set by Texas A&M University System policy 13.04.

1.2. These procedures are considered to be a minimum standard for organized student travel. Departments, units, and/or student organizations may mandate additional and more restrictive standards as deemed necessary to address the unique requirements associated with a particular type of organized student travel. Student organizations should consult

with the organization's advisor and the Office of Student & Civic Engagement prior to implementing any additional or more restrictive standards.

- 1.3. Departments, units, and student organizations sponsoring organized travel outside the United States are responsible for assuring that State Department Travel Advisories do not restrict travel by U.S. citizens to the destination country as per System Regulation 13.04 *Student Travel*.
- 1.4. This procedure does not govern employee travel. Employees traveling to the same location, but are not traveling with students, should not complete student travel paperwork other than assisting students in completing required student travel paperwork. Employees should refer to travel procedures identified by the Office of Finance & Administration and Office of Research.
- 1.5. Employees coordinating travel and traveling to the same location must be on all travel paperwork submitted to the Office of Student & Civic Engagement.
- 1.6. If students are traveling as part of a class, the instructor should submit a travel form, travel list, and liability waivers to the Office of Student & Civic Engagement. Student & Civic Engagement does not approve this type of travel but operates as a central information source to maintain documentation of the travel and a coordinating body with the University Police Department for emergency procedures.

## 2. RESPONSIBILITY

- 2.1. Organized student travel may require use of various modes of transportation. Each form of transportation requires students to follow common and mode specific safety precautions.
- 2.2. University departments that authorize employees travel for university related business are responsible for ensuring that the students follow all university rules and procedures.
- 2.3. All employees are held responsible for standards outlined in the university's [Rules and Procedures](#) and students are held responsible for their behavior as outlined in the *Code of Student Conduct*.

## 3. TRAVEL INFORMATION

- 3.1. Individual Student or University sponsored student group Travel Packet Checklist is required documentation. The packet consists of:

- 1) Student/Group Travel Form
- 2) Waiver of Liability and Hold Harmless Agreement form for each student traveler. Employees are not required to complete the Waiver of Liability and Hold Harmless Agreement.
- 3) Student/Group Travel List with all required information completed. Individuals traveling are not permitted to also be emergency contacts for those on the trip. Employees traveling with students must supply complete information on the Student/Group Travel List.
- 4) Travel Itinerary
- 5) Confirmation of completion of the driver safety training course/video for those students driving
- 6) A copy of each individual student driver's valid license and valid insurance information for those students driving
- 7) W-9 Form for each traveling student that will be receiving financial assistance from A&M-Central Texas or seeking reimbursement. This information is not maintained in the travel packet and is only required for those students seeking reimbursement/financial assistance from A&M-Central Texas.
- 8) Export Control/International Travel form and completion of Export Control Training (for International Travel only).

3.1.1. Completion of the travel packet does not guarantee approval for travel. If it is a student organization, the trip coordinator will be notified upon approval or disapproval. If an individual student is traveling, the individual student will be notified upon approval or disapproval.

3.1.2. All forms can be accessed online through the campus life and student activities portal. Forms are due at least five (5) business days in advance to the Office of Student & Civic Engagement.

3.1.2.1. Exceptions to the five (5)-business day timeline may be granted at the discretion of the Associate Dean of Student Affairs.

3.2. Once travel is approved, the Office of Student & Civic Engagement will deliver a copy of the student/group travel form, itinerary, and student/group travel list to the A&M-Central Texas University Police Department in case of emergency.

3.3. Organizations must turn in the trip itinerary, list of travelers, and emergency information for each student participant to the Office of Student & Civic Engagement five (5) prior to departure.

### 3.4. Modes of Travel

3.4.1. The following are the most common modes of organized travel:

- 1) Vehicles owned or leased by the University
- 2) Privately owned vehicles
- 3) Commercial travel. Students traveling by commercial transportation, whether domestic or international, must comply with all laws regulating travel and the rules of the specific carrier. (For International Travel check International Travel rules and procedures)

3.4.2. Due to liability for personal injury, the university strongly discourages employee use of personal vehicles when transporting students. It is the university's preference that a rental vehicle be used to transport students and the drivers must take the driver safety course (DST) prior to travel approval. Contact the Office of Student & Civic Engagement 254-519-5496 to register for the DST course.

### 3.5. During Travel

3.5.2. Retain all itemized receipts if seeking reimbursement.

3.5.3. Reimbursement for alcohol consumption/purchases during travel and at any conference is prohibited.

### 3.6. Travel Reimbursement

Funding is not guaranteed. Funding for student travel shall be reserved only for students who are presenting or volunteering at professional or academic conferences. The travel must not be a course requirement.

3.6.2. Reimbursement for student travel can be up to 50% of total expenses (i.e. meals, lodging, and use of car, miscellaneous). The maximum allowed reimbursement is \$750.00 for groups and \$500.00 for individual students traveling.

- 3.6.3. If other university resources are used in addition to the funding requested, the 50% standard will be applied to the amount remaining after the application of other university resources.
- 3.6.4. Itemized receipts must be submitted within two (2) weeks of the travel in order to be considered for reimbursement. The Office of Student & Civic Engagement may only reimburse A&M-Central Texas student expenses.
- 3.6.5. Students and organizations seeking reimbursement should submit itemized receipts. The Office of Student & Civic Engagement will not reimburse students for alcohol or other prohibited purchases.
- 3.6.6. If using a university travel card and tax or prohibited items are included in purchases, the responsible party will be required to pay for the prohibited charges. Unpaid prohibited charges will be billed to the student or student organization's university account.
