Notes/Comments

The following Pathway Plan is suggested for full-time students. A part-time student will need more time to complete this pathway. For assistance with pathway planning, students should schedule an appointment with an academic advisor. This guide is for planning and visualization purposes only.

1. Not all Degree Requirement courses are completed with the AAS. Students will need to complete these remaining lower-level courses at the community college. Please consult a TAMUCT financial aid counselor regarding the consortium agreement process.
2. Any-level electives may be taken at either at Texas A&M University-Central Texas or another institution. Please consult an academic advisor prior to selecting any-level electives.
3. All first-time Austin Community College (ACC) students with fewer than 12 SCH of successful college credit must take the EDUC 1300 course in their first semester at ACC. All other students can choose either EDUC 1300 or a speech course from the Component Area Option section of the Core Curriculum Course List.
4. This section has the following considerations:
 - a. May apply conferred Applied Arts and Sciences (A.A.S.) or Certificate of Completion (C.C.)
 - b. May consist of technical, vocational, or military credit (or a combination)
 - c. No student will be considered for the BAAS who has less than 12 semester credit hours in the combination of technical, vocational, or military training (12 hours must be technical/vocational training if no military training)
 - d. With the qualifying 12 semester credit hours, a student may include specified academic electives up to the maximum 36 semester credit hours.
 - e. A maximum of 36 semester credit hours will be allowed
 - f. See the College of Business Administration's academic advisors for more information.
5. If student passed BMGT 1327 for their A.A.S. and received at least a B, MGMT 4325 may be taken.
6. Other field of study course may be used to satisfy requirement.
