Texas A&M University - Central Texas only offers upper-level courses (3xxx-5xxx labeled courses), all lower-level courses (1xxx-2xxx labeled courses) will need to be completed at Austin Community College. For help with pathway planning, students should speak with an [academic advisor](#). *This pathway is intended for planning and visualization purposes only.*

1. The AAS does not fulfill all the lower-level courses required for the undergraduate degree. Students will need to complete these remaining lower-level courses at Austin Community College. Please discuss the consortium agreement procedure with a TAMUCT [financial aid advisor](#).
2. This section has the following considerations:
  - May apply conferred Applied Arts and Sciences (A.A.S.) or Certificate of Completion (C.C.)
  - May consist of technical, vocational, or military credit (or a combination)
  - No student will be considered for the BAAS who has less than 12 semester credit hours in the combination of technical, vocational, or military training (12 hours must be technical/vocational training if no military training)
  - With the qualifying 12 semester credit hours, a student may include specified academic electives up to a maximum of 36 semester credit hours.
  - A maximum of 36 semester credit hours will be allowed.
  - See the College of Business Administration's academic advisors for more information.
3. If a student passed MRKG 1311 as a part of their A.A.S. and received at least a B, one of the alternate courses listed should be taken. Otherwise MKTG 3301 should be taken. Please speak with your advisor.
4. Students may fulfill this degree requirement by enrolling in BUSI 3311 at TAMUCT.
